START THE SEASON CHECKLIST

SAFETY

JLT Match Day Checklist

- Ensure team captains and coaches are familiar with the **JLT Game Day Checklist** and know to complete before every match.

Incident Reporting

- Do all team managers, coaches and captains understand their reporting obligations of an incident? Including at the club, during play, training and other club activities.

British Standard Helmets

- Has your association mandated the use of British Standard Helmets when batting, fielding in close or wicketkeeping? Great! This is important to make all players safe. More information can be found [here](#).

Endorse and Adopt Australian Cricket's Safeguarding Children & Young People Framework

- This confirms your club's compliance with working with children requirements and checks. Have you received confirmation of these checks for your volunteers?

COMMITTEE RESPONSIBILITIES

Player & Member Inductions

- Who on your committee will welcome and induct new players and members to your club?

Facility Cleaning

- Identify who on the committee will be responsible for cleaning and general maintenance of all facilities including pavilion, playing and training venues.

First Aid Qualifications

- Decide who on the committee will ensure each team and playing venue has a person with current first aid qualifications present.

MYCRICKET

Online Registration & Live Score

- Save your club time and effort by offering Online Registration to your players this season. **Click here for more information.**
- Assign someone to setup all your teams in MyCricket. This happens regardless of how you'd like to score.
- To further save you time set up **MyCricket Live Score** on your tablet or mobile device. Complete the MyCricket Checklist located on your club home page when you sign in to MyCricket Admin.

FINANCIAL MANAGEMENT

Cash Handling Procedures

- Your Treasurer must train anyone who will be handling cash in cash management procedures, controls and banking processes for the year.

WOOLWORTHS CRICKET BLAST

Woolworths Cricket Blast App

- Here coordinators can set up their sessions and communicate with parents directly.

Scoring

- Score your Master Blaster matches through the Cricket Blast App, or on the MyCricket Live Score App.
