

CRICKET BLAST EQUIPMENT GUIDE

Overview of Participant Packs and Equipment Kits
for Coordinators

PARTICIPANT PACKS

We want to make sure all our participants look the part when they play, so everyone that registers receives their very own Cricket Blast pack.

Children will be given the opportunity to personalise their pack items by selecting from their favourite Big Bash team colours.

What's included in each pack is different dependent on the level. To see what's available for the 21/22 season we have detailed them here for you. →

We'll send every child their personalised pack straight to their door, so you don't need to worry about a thing.

JUNIOR BLASTER STARTER KIT

JUNIOR BLASTER RETURNER KIT

MASTER BLASTER KIT

EQUIPMENT KITS

Our Cricket Blast shop has everything and anything you need to run your Blast program!

New Centre

If this is your centre's first Cricket Blast program, you will automatically be provided with enough equipment for 32 participants. If you exceed this, you will accrue credits per additional participant.

Equipment can be redeemed by accessing the shop via your MyCricket Centre Management page.

Returning Centre

For returning centres, you will accrue credit with every participant that registers each season. This can be used to "purchase" any top-up equipment you might need.

Simply access the shop via your MyCricket Centre Management page to see how the dollar value of the credits incurred and to purchase your equipment.

FREQUENTLY ASKED QUESTIONS

Participant Packs

+ How long does it take for children to receive their pack?

All participants will receive a dispatch notification within 6 days of registration. From receipt of the dispatch email, delivery will usually take 10-15 business days.

+ Some of my registered participants haven't had their packs delivered, what do I do?

The first thing would be to encourage parents to double check the email and delivery address they nominated on their child's registration. If they received their dispatch email they will be able to track the status of the pack with Australia Post. If they haven't received anything, please encourage them to contact the Woolworths Cricket Blast Helpdesk via email at cricketblast@cricket.com.au or call 1800 CRICKET (1800 274 25 38).

+ Can participants still play without their pack items?

Children will love using their personalised equipment, so be sure to remind them to bring their pack items to each session. We do our best to send out packs quickly but sometimes there can be minor postage delays. Try and reiterate to parents that kids can still come along and use the centres equipment while they wait for theirs!

+ Why don't Master Blaster participants receive a program shirt?

The Master Blaster program is designed to be bridging program between learning the skills of cricket and competing in Junior Cricket. Therefore centres are encouraged to provide a Club Shirt to Master Blaster participants to start them on their club journey.

+ Can I order participant packs to store at my centre?

Cricket Blast packs are not available to purchase as they are an exclusive offer to registered participants. All participant packs are sent directly to participants nominated address following their individual registration.

FREQUENTLY ASKED QUESTIONS

Equipment Kits

+ How do I know if I have centre credits to redeem on equipment?

Cricket Blast credits are given to eligible centres when participants sign up to their program. Once your participants start registering, you can check your balance in the Cricket Blast Shop. For steps on how to do this [click here](#)

+ How can I purchase more equipment using my Centre credits?

The Cricket Blast shop has anything and everything you will need to help you run a successful program. If you are looking to buy some more equipment using centre credits, please visit our step by step guide on how to make an order in the [Cricket Blast shop](#). You can also buy equipment with any club funds you have too.

+ I am having trouble ordering equipment, what do I do?

If you need assistance ordering your Junior Blasters coordinator pack, please contact the Woolworths Cricket Blast Helpdesk via email at cricketblast@cricket.com.au or call 1800 CRICKET (1800 274 25 38).

+ Do centre credits expire?

Yes. Centre credits do expire at the end of each season – towards the end of April. You won't be able to carry over any unspent credit so Coordinators need to make sure they use them up beforehand.

+ How do I know if I have enough equipment to run all the activities?

The Cricket Blast – Coordinator Handbook has taken all the guess work out of knowing how much equipment you need for each session. At the top of each activity card there is a list that indicates how many pieces of equipment you will need for the amount of participants. Before your season starts, a handy tip is to review all the activity cards and cross check them with the amount of equipment you have available. Then you'll know exactly how much you'll need based off how many kids register. It's that easy!
