## Sporting Schools Cricket Program

Cricket Australia are excited to announce that all Cricket Sporting Schools programs will be managed internally by Cricket Australia which will provide us with greater flexibility to cater a program to your school's needs. Our inclusive programs are made up of practical cricket activities that focus on fun, fitness and friends with the aim of increasing the participant's confidence and competence. In addition, schools are provided with additional resources to introduce cricket themed content into their curriculum.

### Program Delivery Options

#### Coach Delivered Program

All coach delivered programs are delivered by our accredited group of Australian Cricket Staff. Program minimum of 4 sessions, with 30 students max per session.

Costings:

- \$530 for 4 sessions, which includes a base program cost.
- \$70 for each additional session.

For example, should you wish for 3 classes to do a 4 week program, the total requested session is 12. The cost for 12 sessions is then \$1090 (\$530 + \$560).

#### Teacher/Self Delivered Program

Includes lesson plans and a full deliverers kit.

Primary School Kit = \$500

Secondary School Kit = \$450

#### Additional Equipment

Schools have the option to add equipment to their program, simply email [sportingschools@cricket.com.au](mailto:sportingschools@cricket.com.au) for a list of equipment items and costings.
